

Breaded haddock

by Mowi

These tail pieces of haddock, from MSC certified sustainable fisheries in the north-east Atlantic Ocean, are available in different sizes. They have been breaded with a crispy bread crumb coating to protect the delicate fish flesh and get a great baking result during preparation. Breaded and pre-fried fish is convenient and easy to prepare. No culinary skills needed, yet a great result both for the eye and the palate. Haddock is one of the favourite species for a great 'fish & chips' meal.
