# Battered cod nuggets

**by Mowi**

Delicious, juicy, boneless cod fillet chunks in a tempura batter. Prepared with pure cod from MSC certified sustainable fisheries in the north-east Atlantic Ocean.
A delicious combination of textures and flavours: the delicate flavour and flaky texture of the cod with the crunch of the tempura batter. A popular 'finger food' snack for fish lovers of all ages. Combined with fries they make an excellent 'fish & chips' meal. Quick and easy preparation in the oven, pan, fryer or airfryer. No culinary skills needed, yet a great result both for the eye and the palate.
