

Egg-tempura battered Alaska pollock

by Mowi

Natural Alaska pollock fillets from MSC certified sustainable fisheries in the northern Pacific Ocean, coated with crunchy egg-based tempura batter. A delicious combination of textures and flavours: the delicate taste and juicy, flaky texture of the boneless Alaska pollock fillets with the crunch of the tempura batter. Available in two sizes, they make a great meal centre. Easy and convenient preparation in the oven, pan, fryer or airfryer. No culinary skills needed, yet a great result.
